

# OneLife iD Club iD Tags

**✳ Membership & ID Tags for clubs, teams & events**

## How the OneLife iD Club iD Tag supports club membership

### Common Issues

- How do we know someone is a fellow club member?
- What if an accident happened?
  - Do they have a medical condition, allergy or take medication that we should know about?
  - Who would we call?
- Can we have something in club colours to demonstrate membership?
- How do we ensure everyone participating in club activities or accessing club facilities is a current paid-up member?

### Benefits

#### A responsible approach to member safety

- encourage members to carry emergency, medical or contact information
- demonstrate a proactive approach to safety and social responsibility
- enable prompt, effective action in the event of an emergency

#### Managing members more effectively

- provide recognition of membership
- demonstrate member eligibility for participation in club events
- control access to member benefits and facilities eg. shop discounts

#### Raising club profile and visibility

- provide a visible sign to others of club membership
- add value to club membership fees
- raise the club's profile - set a standard for other clubs and affiliations
